- Find your favorite example of:
 - Chassis
 - Drive train
 - Elevator
 - Shooter
 - Climber
 - Paint job
 - Pit design
- Attend a team workshop
- Get to know someone on a team we will see at North Star
- Cheer really loud when our team is playing
- Take a turn as mascot
- Recognize a team member for good work
- Greet/welcome a parent or someone else visiting the event

Team Expectations – 2018

1. **Come to robotics to do robotics**

Come with a willingness to listen, speak up, and most of all, participate. Electronics should not interfere with robotics.

2. **Let people know when you can't meet your commitments.**

For example, let us know if you'll have to miss a practice, or if you can't complete a task when you said you'd have it done.

3. **Maintain good academic standing.**

Ask for help with school work if you need it!

4. **Read team emails**

5. **Be Safe!**

And help others be safe, especially around our equipment.

6. **Practice gracious professionalism**

Help others. Be respectful. Leave things cleaner than you found them.
